Psalm 69:22 Let their table become a snare before them: and that which should have been for their welfare, let it become a trap. 23 Let their eyes be darkened, that they see not; and make their loins continually to shake. 24 Pour out thine indignation upon them, and let thy wrathful anger take hold of them. 25 Let their habitation be desolate; and let none dwell in their tents. 26 For they persecute him whom thou hast smitten; and they talk to the grief of those whom thou hast wounded. 27 Add iniquity unto their iniquity: and let them not come into thy righteousness. 28 Let them be blotted out of the book of the living, and not be written with the righteous

From a very reliable source: There is some controversy over Cyprus, as the local district GL of UGLE does not wish that they be recognized. The COGMNA commission has not yet acted but with 17 US Mainstream jurisdictions now accepting them this will likely move forward in the near future. A very clear explanation of the differences can be found here thanks to Bro. Åke Eldberg. Middle East Egypt Freemasonry was banned in Egypt in 1964. An internet search will reveal a "Regular Grand Lodge of Egypt" but this is a bogus group, part of the irregular and unrecognized "Regular Grand Lodge of England" which you can read about in detail here. Should you become associated with this organization, you will never be welcomed in any of the tens of thousands of regular/recognized Masonic lodges throughout the world. Further, a particularly immature internet gadfly - Brad Cofield - has created a

series of internet web sites identified as "Egyptian Freemasonry". These have no connection whatsoever with Egypt, Freemasonry, or reality and are simply more of Brad's puerile attempts to garner attention. You can read more about him here. Iran Ruled as a theocracy, Freemasonry simply does not exist here - similar to any other dictatorship where the ideals of free thought are subjugated to totalitarian rule. There is a Grand Lodge of Iran in Exile whose Grand Master and Grand Secretary are in California and whose regalia and possessions are safely protected in a storage area at the Grand Lodge of Massachusetts but as far as we know, they have no active lodges within the country. Iraq Under the former dictatorship, Freemasonry was - as under all similar political regimes - forbidden. With the arrival of American and other troops there, some informal meetings are being held. However, of particular note is that the so-called "Grand Master of the Regular Grand Lodge of North Carolina" (a 'fake' organization), Leslie G. Harmanson is a Sergeant First Class with the US Army there as of December, 2009 and is apparently passing out degrees. His organization is part of the so-called "Regular Grand Lodge of England" and their fantasy creation of "Masonic High Councils" which you can read about in detail here and here. Should you become associated with this organization, you will never be welcomed in any of the tens of thousands of regular & recognized Masonic lodges throughout the world. Masons and those who wish to join Freemasonry would do well to consider that SFC Harmanson's group is grossly irregular in the eyes of the Masonic world and should therefore govern themselves accordingly. Their District web site is at www.freemasonlb.net/home1.html. The Grand Lodge of New York (USA) also has several lodges there. (Address above.) An internet search will reveal a "Masonic High Council" in Lebanon but this is a bogus group, part of the so-called "Regular Grand Lodge of England" and their fantasy creation of "Masonic High Councils" which you can read about in detail here. Should you become associated with this organization, you will never be welcomed in any of the tens of thousands of regular & recognized Masonic lodges throughout the world. And don't for a moment believe that this group is part of the regular/recognized United Grand Lodge of England. A reader reports that he was told the UGLE is "upper class" and they formed the REGULAR Grand Lodge of England to be open to all men. What hogwash! An excellent website addressing bogus/clandestine Freemasonry in this country can be found here. Begun in August, 2010, we hope it will grow and expand as the days go on! Pakistan Lodges were disbanded in 1972, when then Prime Minister of Pakistan, Zulfiqar Ali Bhutto placed a ban on Freemasonry in Pakistan. Saudi Arabia Freemasonry does not exist in Saudi Arabia. An internet search will reveal a "Masonic High Council" but this is a bogus group, part of the so-called "Regular Grand Lodge of England" and their fantasy creation of "Masonic High Councils" which you can read about in detail here. Should you become associated with this organization, you will never be welcomed in any of the tens of thousands of regular & recognized Masonic lodges throughout the world. United Arab Emirates Regular/Recognized Freemasonry does not appear to exist in the UAE as with many other non-democratic regimes. An internet search may reveal so-called lodges there but they're likely part of bogus organizations. Should you become associated with them, you will never be welcomed in any of the tens of thousands of regular & recognized Masonic lodges throughout the world. See here for more information. They will try to convince you that they and they alone are the 'true' Masonic bodies in that country. Don't be misled! You can read about these and other 'fake' Masonic organizations here. Also, do NOT believe the internet lies that a "Masonic High Council" is over all of the world's Freemasonry. That's a deceit and their members control NOTHING. A/the "Masonic High Council" is, in reality, a bogus group with no authority over anything but their very few members (probably less than a hundred).
